What is Pastoral Care?

UUCM Pastoral Care provides compassionate care and practical support to members and friends of the congregation during life transitions, hospitalizations or crisis.

Pastoral Care Committee

Members of the Pastoral Care Committee take turns being the monthly Coordinator. The committee meets once per month to discuss current cases and to transition to the next month's coordinator.

Pastoral Care Coordinator

The Pastoral Care Coordinator is the liaison between people with needs and the Pastoral Care Network. The coordinator receives phone calls or emails from people in need and reaches out to the Pastoral Care Network to fill those needs.

Pastoral Care Network

The Pastoral Care Network bridges the gap between caring people and those in our church community who are in need of help during difficult times. UUCM members and friends sign up to provide services and are contacted by the Pastoral Care Coordinator when a need arises.
