Welcome!

Congratulations!

We are very pleased to offer our beautiful church for your marriage or commitment ceremony. Whether you are planning a large wedding ceremony and full reception, or a smaller, more intimate affair, UUCM may be an excellent match for you.

UUCM is a welcoming congregation that provides a comfortable, meaningful experience.

The Ceremony

With stunning buttressed beams and stained-glass windows, our Sanctuary offers an intimate and comfortable venue for weddings and commitment ceremonies. Seats 130 or up to 250 when used with adjacent hall.

Our Minister can perform the ceremony, or you can use an officiant of your choice. Our Music Director will work with you to provide piano or organ accompaniment. Our sound system allows for easy connection to most personal music selections.

Reception Services

UUCM offers two spacious function rooms to host your reception.

Our large commercial kitchen offers the space, appliances, and tableware to prepare or cater meals for a large number of people. Hire an outside caterer of your choice, and let us provide the wait staff to ensure that your reception runs smoothly.
